

Netspeed “20/20” Promotion Terms and Conditions.

These terms and conditions apply along with our Broadband Trading terms, Acceptable Use Policy, and any other specific terms and conditions applying to your account.

The ‘\$20 off’ offer is only available to new Netspeed RBI 3G/4G or new Netspeed 5Ghz Wireless customers, and we reserve the right to exclude anyone from participating in this offer on reasonable grounds.

The ‘20GB Free’ offer is only available to all Netspeed RBI 3G/4G and Netspeed 5Ghz Wireless customers including new and existing customers.

When you sign up to an eligible Netspeed Broadband Plan on a 6-month term between the 6th January 2020 and the 5th February 2020 (Promotion Period), and you don’t have a current Netspeed account, you will receive a \$20 discount off your first invoice and a additional 20GB of data.

Existing customers will automatically have the additional 20GB of data added to their account when they reach approximately 80% of their normal data cap.

- You will still be required to pay any other charges, including add-ons, additional equipment or rental charges, calling plans or services and additional installation fees.
- Additional data does not roll over and cannot be held for use at a later date.
- Your 6-month term begins from the date your connection is activated. In order to activate your connection, your invoice must be paid in full. The connection must be activated before the end of the Promotion Period.
- An early termination charge will apply if you terminate your connection (or downgrade from the plan chosen) before the end of the 6-month term. The termination fee is equal to the remaining value of the 6 months of connection fees including GST charged in full.
- This offer is not available in conjunction with any other offer or plans offered at a discounted rate.
- The value of your discount cannot be redeemed for cash, hardware or any other benefit, or applied to pay early termination charges or other charges, and cannot be transferred or assigned to someone else.

We reserve the right to extend, change or terminate these terms and conditions and/or this offer at any time without notice.

You are deemed to have accepted these conditions when you create an account with Netspeed.
